BIRCHLAND TREEHOUSE “A PART OF YOUR FAMILY TEAM”

We wanted to thank all of our families for being apart of our Birchland family this year. The year has finally come to an end and we have looked back at all the wonderful memories we have created and thank you for giving us the opportunity to share it with you all. We will be hosting a small event for graduation this year. A photo booth will be set up outside our classroom that will give children the opportunity to take pictures with their teachers and to be given a small graduation gift. A reminder to please wear masks at all times and social distance as usual. We will have a Sanitizing station available as well for everyone’s safety. A sign-up sheet will be posted on the board 😊. We encourage all families to sign up for this event, please notify staff if you’re not able to attend. If you have any further questions, please ask a staff member.
